# Capri College

## A MESSAGE FROM THE PRESIDENT

Thank you for your interest in Capri College. Our career college offers specialized training in the fields of Cosmetology Arts & Sciences and Massage Therapy. This training provides rewarding career opportunities in the beauty and wellness fields.

Professionalism, respect, honesty and integrity are the cornerstones of our philosophy. Capri practices this ideology by maintaining honest and fair relationships with its staff, students, clients and colleagues.

A source of pride for Capri College is being accredited by the Accrediting Commission of Career Schools and Colleges. Being nationally “accredited” and recognized by the Federal Department of Education is an assurance for the student that all educational promises and programs are monitored and follow policies that are based on high integrity and honest business dealings. Schools that are not accredited have few guidelines or requirements of excellence to follow. That is why all top colleges and universities strive to be accredited and invest in their students and programs accordingly. Accredited schools undergo strict scrutiny by state and federal oversight to assure the student that the school is ethical, professional and reliable.

Capri takes great pride in training our instructional staff to meet the needs of each student. Our teaching staff is committed to selecting and developing instructional materials which will prepare our students to succeed in their chosen fields and which will meet the needs and expectations of future employers.

We look forward to introducing you to the exciting fields of Cosmetology Arts & Sciences and of Massage Therapy and we will do our very best to provide for you a challenging and rewarding educational experience.

Warmest regards

Charles B. Fiegen, President

Specific areas that will be evaluated during the Trial Period are:

## IV. ACADEMIC POLICIES & PROCEDURES

### Clock Hour Definition

One (1) Clock Hour = Sixty (60) minutes

### Grading Procedure

Grades are given in the following areas:

- \*Theory Lecture quizzes and tests
- \*Clinical / Lab Experiences
- \*Practical classroom assignments
- \*Attendance / Participation

The following grading system is used in all courses at Capri College:

Satisfactory	(S).....75 -100%
Needs Improvement	(N).....70 - 74%
Unsatisfactory	(U).....69% or below
Failure	(F).....0%

\*A failure grade (0) will be given if a student fails to complete or submit their work

Capri College students must maintain a 75% minimum “Satisfactory” Grade Evaluation for satisfactory progress reporting

score will be the minimum passing grade of 75%. If the student fails the second attempt, the second exam

### Progress Reports

Students will be kept apprised of their progress weekly at Advisory Meetings. Students will receive written reports at the end of each evaluation period/term. This report will be used for Satisfactory Progress determination and will include written theory exam scores, class grades, clinic requirements and attendance percentage. Students not meeting satisfactory progress will be subject to course failure, loss of financial aid and/or termination from school.

### Retake Exams

Students who do not attain a 75% on a written exam may retake the exam but must do so within two weeks of the initial exam administration. Only one retake per exam will be allowed. If the student passes the retake exam, the exam score will be the minimum passing grade of 75%. If the student fails the second attempt, the second exam score will be recorded. If the student does not retake the test within the two week time frame and has not made prior arrangements for consideration, the student will receive the original unsatisfactory grade. In order to successfully complete the course, students must maintain a minimum passing grade of 75%.

### Make Up Work

It is the student’s responsibility to make up all work missed due to absence or tardiness. Arrangements for make-up work must be made the first day the student returns to school following an absence. All make up work is due within two weeks of the absence unless specific arrangements are made between the student, the instructor and/or Student Support Services. Failure to turn in makeup work within the two week time frame will result in a zero (0) (Failure) for the class. It is imperative that students meet with their advisor or Student Support Services to make up all classes/exams missed due to absence(s) as ALL classes/tests must be attempted in order to graduate. As with “retake” exams, students must maintain a minimum passing grade of 75% average to successfully pass the course. Continued missed classes and disregard for the training process could result in termination from school.

### Class Size

To ensure that a student has opportunity for maximum participation and personal attention, the individual class sizes at Capri College are limited to a maximum of 30 students. The state of Iowa code requires an average student/instructor ratio of 15 to 1.

## **Graduation Requirements**

Each student must satisfy all required academic and financial obligations, including but not limited to the following:

1. Proficiency in academic and technical skills, indicated by an overall grade average of 75% or above in written tests, practical clinic and class work and on final exams.
2. Completion of all requirements for the course, along with written tests, classroom assignments and clinical requirements\*
3. Completion of state mandated clock hours specific to the program
4. Participation in an exit interview conducted by a college staff member\*\*
5. Payment in full of any and all accounts or outstanding debts with Capri College

***\*Capri College reserves the right to require students to pass licensing exam to receive completion certificate, in circumstances where early testing is allowed while student is still in attendance.***

***\*\*All students must complete a school exit interview, and any student receiving Financial Aid must complete a Financial Aid exit counseling interview.***

## **Diploma Award**

Upon successful completion of the above graduation requirements, the student will be issued a diploma from Capri College.

## SATISFACTORY PROGRESS

### Satisfactory Progress

Satisfactory Academic Progress is required for all students actively enrolled at Capri College in order to maintain enrollment and eligibility for Title IV Financial Aid Funding. Satisfactory Progress must be maintained by all students, regardless of whether or not they are receiving Federal financial aid. Capri College maintains a file on each student throughout the program to verify Satisfactory Progress. Termination may result if student does not meet SAP minimums

### Evaluation Periods for Satisfactory Progress

Satisfactory Progress evaluation periods are scheduled at the midpoint and end of each academic year. SAP evaluations are completed and signed at the end of each evaluation period. In order to maintain SAP, a student must achieve the following:

- A). Academic (Qualitative) Standard – Students will be given a percentage grade for academic progress. ***The minimum grade considered satisfactory is 75%.*** Incompletes are counted as hours attempted in the GPA calculation.
- B) Attendance (Quantitative) Standard - Satisfactory progress for attendance is considered to be completion of the required hours/courses for each period by the scheduled completion date. ***Attendance below 80% of scheduled time is unsatisfactory.*** Department of Education requires that all students must graduate in maximum time of 1.5 of course length. Approved Leaves of Absence are excluded in this time frame. The following schedule is the time frame for Satisfactory Progress Evaluations by program:

### COSMETOLOGY... 2100 HOURS

Evaluation Periods: 525 Clock Hours / 1050 Clock Hours / 1575 Clock Hours / 2100 Clock Hours

### ESTHETICS....720 HOURS

Evaluation Periods: 360 Clock Hours / 720 Clock Hours

### MASSAGE THERAPY... 720 HOURS

Evaluation Periods: 360 Clock Hours / 720 Clock Hours

### NAIL TECHNOLOGY... 360 HOURS

Evaluation Periods: 180 Clock Hours / 360 Clock Hours

### INSTRUCTOR OF COSMETOLOGY ARTS AND SCIENCES.....1000 HOURS

Evaluation Periods: 250 Clock Hours / 500 Clock Hours / 750 Clock Hours / 1000 Clock Hours

### TRANSFER STUDENTS

Capri College will consider accepted transfer hours as both attempted and completed (100% attendance) and will exclude consideration of grades at previous schools for SAP purposes.

### Satisfactory Academic Progress:

Any student who fails to maintain Satisfactory Academic Progress, outlined in School Catalog and determined at evaluation periods, may be terminated and lose financial aid eligibility (if applicable).

Attendance for all enrollment periods (including summer) is included in the maximum timeframes to complete 150% of the published program length. Changes in major, pursuit of a second degree, and remedial courses do not apply to our institution and thus do not have any effect on SAP.

**Unsatisfactory Status**

In accordance with the US Department of Education regulations, termination of financial aid may result when the student is not maintaining Satisfactory Progress. If a student is not meeting Satisfactory Progress, the student will be put on “Warning Status” for the next term. If at the end of the subsequent term, the student still does not meet “Satisfactory Progress”, he/she will be placed on “Probation Status” and lose Financial Aid Eligibility. This may also result in termination from the course.

**Appeals Process**

Students who can demonstrate legitimate and/or extenuating reasons for not maintaining Satisfactory Progress may appeal (in writing) their loss of financial aid eligibility and/or enrollment termination. Situations such as extreme illness, death of a family member, natural disaster, or other documented events could warrant an appeal. If an appeal is granted, guidelines for the evaluation period will be established for the student by the school. These guidelines will consist of additional study time, practical assignments, extra scheduled hours or other related activities. During this time the student will remain eligible for Financial Aid. At the end next evaluation period it will be re-evaluated whether the student will continue training and be eligible for further financial aid. In extreme cases, the school may waive policies for students who demonstrate special consideration. Request for waiver consideration may be submitted in writing by the student, along with any supporting documentation.

**Readmission Policy for Satisfactory Progress**

Students may be eligible for readmission to the college following Unsatisfactory Progress dismissal from school after a waiting period of six months. Students may write an appeal to request special consideration of the six month waiting period.

**Reinstatement of Aid**

Students who were dismissed based on unsatisfactory status may be readmitted for a defined period of time on a probationary status. The students will be allowed to work toward satisfactory progress before being reinstated for financial aid. Eligibility will be determined based on an interview between the Financial Aid Director and the student. Students must maintain satisfactory progress during the reinstatement period in order to maintain enrollment and continued eligibility of financial aid.

## VI. ATTENDANCE POLICIES

### Attendance Policies

The state of Iowa requires recorded attendance of all scheduled hours; therefore, good attendance is essential. The student will realize the benefits of good attendance through good grades, a timely graduation, and enhanced job opportunities. If success is to be achieved, self-discipline in work habits is necessary.

All students must attend regularly scheduled classes and clinic. Capri College does not differentiate “approved or unapproved absences” in terms of attaining hours. If you are not in attendance on a scheduled day or part of a day, for any reason, you are considered absent.

### Attendance Percentage Expectation

As stated in each program description, the State of Iowa requires specific hour attendance in each program in cosmetology arts and science and massage therapy. Capri College encourages 100% attendance from the students, however, we realize sickness and emergencies arise. Therefore, we strive for a reasonable attendance percentage of 90% or above. (This equates to an average of less than two days absence per month) Students are kept abreast of their attendance status through weekly posting of hours. Rewards and “perks” are awarded to students who maintain above 90% attendance consistently. If a student falls below 90% attendance they must take immediate steps to make up the time to re-establish the 90% expectation. In the event the student attendance would drop to 80% (or below), he/she will be immediately placed on attendance probation. The probation time allows up to 60 days (two months) for students to demonstrate “noticeable” improvement in their attendance percentage. Students will be given every opportunity to bring their attendance average back up through scheduled make up time, make up assignments, waivers or appeal process. If the student fails to meet the 60 day attendance probation requirements or a pattern of superfluous absences continues, the student will be subject to suspension and/or possible termination from school. (Capri management and staff realize that occasionally “unfortunate” circumstances beyond the students control can occur. In this event, students may use the appeal process or request in writing a “policy waiver” specifically outlining the hardship or reason for the low percentage of attendance.) This waiver and hardship will be addressed and followed up by the School Director and/or Capri College Student Support Services.

### Absence Notification

If a student is going to be absent or tardy, the student, a parent, or spouse is required to call Capri College prior to the scheduled starting time. (recommended that you call 30 minutes prior to start time) Calling before scheduled start time allows the College to notify and change clinic appointments in a timely manner and also informs classroom instructors of the student’s absence prior to class commencing. Failure to report absences is unprofessional, disrespectful and considered one of the most egregious violations in a service industry; therefore, total disregard of this process will be addressed quickly and strictly. Failure to call in an absence is considered a “no call/no show” and will immediately result in a professional violation write up in the student file. Continued failure to notify the school of an absence in a timely manner will result in a probation contract, suspension and if not corrected will result in termination from school. Realizing students may occasionally run late or have travel complications, he/she will not be penalized for a late absence call in if the call is received within a half hour after their normal clock-in time. (This leniency applies only if the late reporting is OCCASSIONAL and does not indicate a pattern of disregard.)\* The phone system records exact timing of calls, therefore, specific call-in times are kept for student records.

*\*Due to privacy issues (FERPA) and for accuracy of information, students may not have another student call in for them or report another’s absence.*

*\*If an absence is pre-planned, due to a special event, students are asked to submit a written request at least 24 hours in advance. This is a professional courtesy and is part of employment readiness expectation.*

**Tardy Policy:**

Students are considered tardy when they are not in attendance at the start of the scheduled class or clinic, but arrive after class or clinic commences. If a student is going to be tardy, he/she is expected to call prior to start time. More than two hours late will be considered absent in the calculation. Habitual tardiness/lateness is unprofessional and will result in a disciplinary write-up in the students file. Capri College realizes students may occasionally “oversleep” or have travel complications and may be unable to notify the school prior to start time. Therefore we have a special “grace period” on infrequent tardiness. Students will not be penalized for a late call in if the call is received within a half hour after their normal clock-in time. This applies only if the late reporting is OCCASSIONAL and does not indicate a pattern of disregard. Students who know in advance they will be tardy due to appointments or commitments, may submit proper documentation for a waiver for the late arrival)

**Leaving Prior to Dismissal Time:**

If a student must leave school at any point in the day, he/she must submit a Request for Time-Off (RTO) to the reception desk or Student Services. Leaving school early without pre-notice or pre-approval, is considered an unreported absence and will be subject to a disciplinary write-up in the student file. Repeated offenses will result in Disciplinary Action, Probation, Suspension and/or Termination from school.

**Lunches and Breaks**

Lunch time consists of one thirty (30) minute period of time per day. Classroom and clinical activities (appointment scheduling) determine appropriate lunch times and students will be assigned a scheduled lunch time by the instructor or receptionist. When scheduled on clinic, students are asked to clear specific lunch times and notify the receptionist if they are leaving the college premises. Over-running lunch times and being late for class or appointments will result in disciplinary action. Breaks, (small 10 minute mid-morning or mid-afternoon respite from class or clinic) is part of the scheduled attendance time and therefore regulated by the college as to where, when and how long breaks may be taken. Consequently, students may not leave the college premise while on break. Abuse of this policy will subject the student to disciplinary action, including Probation, Suspension or Termination.

**Accurate Time Recording**

Abuse or cheating on time recording is considered a violation of the Student Code of Conduct and will result in Disciplinary Action, Probation, Suspension and/or Termination. Students may not have another student “clock them in or out”. This is considered as a breach of honesty from both students involved, and both will be subject to disciplinary action and may result in suspension or termination from school.

**Saturday/Evening Exclusive Attendance Criterion**

Saturdays and evenings hours are mandatory and essential to the Cosmetology Arts and Science and Massage Therapy service industries and therefore those times are required attendance for students. Saturdays and evenings are vital to your future employer and we have committed to train and develop dependable employees and to instill a mindful work ethic in our students. Therefore, the following process is used to keep students abreast of this important aspect of their training. When a student records:

**THREE SATURDAY/EVENING SCHEDULED DAYS MISSED:**

A meeting and disciplinary write up will be placed in his/her file

**FOUR SATURDAY/EVENING SCHEDULED DAYS MISSED:**

Student will be placed on attendance probation (attendance contract) identifying the attendance expectation for a prescribed period of time

**FIVE SATURDAY EVENING SCHEDULED DAYS MISSED:**

Student is subject to Suspension or Termination from the program.

## **Weather Delays and Closings**

Notice of school delays and closings due to snow or natural disasters will be aired on local radio stations and/or television stations in the city and surrounding areas of all Capri locations. Students will be given specific information on weather closings at orientation. Closings will also be posted on the school's Facebook page and voicemail system.

## **Leaves of Absence**

Temporary interruptions in the student's program due to medical or personal reasons may be allowed through the process of a Leave of Absence. The U.S. Department of Education has imposed strict regulations that limit leaves of absences to less than 180 calendar days during any one twelve month period. The allowable time frame for an approved Leave of Absence may range from one week to six months (180 calendar days). Capri College requires student submit medical (or extreme hardship) documentation if the Leave of Absence is over fourteen (14) days. The Leave of Absence request must be submitted in writing, dated, along with start and end date of the requested leave, signed by the student (unless emergency prohibits) and approved by the School Director/Student Support Services. If an extension to the initial Leave of Absence is needed, the student must contact the school and resubmit the time of the needed extension in writing. In the event that a student has already taken a leave of absence of 180 days and is then faced with another emergency, the federal regulations require that the student officially terminate from school. As per Department of Education requirements, if a student does not resume attendance at the institution at or before the end of a leave of absence the institution must treat the student as a withdrawal and enact cancellation.

## **"Key" for Disciplinary Procedure**

Students that violate the attendance guidelines and school policies will receive notification and will sign a written course of action to improve in this area.

Disciplinary Action: A meeting and formal write-up in the student file with a positive course of action outlined.

Probation: Following the above Disciplinary Action steps, the student will sign a written contract negotiated between the student and Capri to chart a positive course of action within a specific time frame. Probation can range from 1 to 3 months.

Suspension: Suspension may ensue as a result of continued abuse of a policy after continued attempts to correct the infraction. Suspension may be administered in one of the following ways:

- In-School Suspension: The "in-school" suspension has specific time frames and specific guidelines that must be completed and thereby demonstrate improvement in behavior. Students given an in-school suspension are required to attend all class and clinic assignments but will be given specific non-client assignments to work on while suspended. In-school suspension students will not be allowed to participate in discounted student services or use the friends and family benefit. In-School Suspension may last from one (1) week to (3) weeks
- Out-Of-School Suspension: Disregard to student policy, attendance and performance may result in an out of school suspension. This suspension can last from 2 weeks to 2 months. The student must commit in writing a plan to assure policy compliance before being allowed to return to classes.

Termination: Termination will result when all efforts to demonstrate improvement have been exhausted and students are unable to comply with the policies. Students who are terminated from Capri College may be eligible for readmission to the college after a period of six months. Students may write an appeal to request special consideration of the six month waiting period.

## **VII. DRESS CODE**

### **Dress Code**

Capri College students demonstrate their professional knowledge through their own personal appearance. The image presented must reflect traditional professional ideals through attire, hairstyle and hair color, grooming, actions and mannerisms. Therefore Capri enforces a professional dress code that prepares students for all areas of employment in a variety of business environments. Students not following the dress code will not be permitted to stay in school that day. If for some physiological or sociological reason the student cannot adhere to the dress code, the student may apply for a waiver from a specific requirement. This waiver must be documented in writing in the student's file.

### **Cosmetology Arts and Science Uniforms**

All Capri students are responsible for the neatness and cleanliness of their uniform.

Lab Jackets: Cosmetology Arts and Science students are issued a lab jacket(s) and/or apron(s). These must be worn at all times to identify "student" to the public.

Name Tags: All students will be issued identification badges which are to be worn at all times while in school. If an identification badge is lost, students inform the student services coordinator and must replace the badge on the same day.

Slacks/Pants: Students are required to wear professional, appropriately fitting, conservative BLACK slacks/pants.

Shirts: Students will receive BLACK Capri T-shirts as part of their uniform.

Shoes: Black low-heeled, closed toe, comfortable shoes must be worn.

Hair: To be a professional stylist, skin care specialist, makeup artist or nail technician one must portray an image that reflects a confident and fashion forward image that looks their best and reflects the beauty industry. Hair must be styled, if a ponytail is worn, it must be curled, styled, and current. Female students must wear makeup every day and it should be checked and re-applied throughout the day when necessary. Polish may be worn, but chipped polish must be removed. Male students must be clean shaven or have a professionally trimmed beard, mustache and sideburns.

### **Massage Therapy Uniforms**

Students will be issued Massage Therapy imprinted shirts. Professional looking black slacks/pants and black low heeled closed toe shoes are to be worn. Due to the substantial amount of stretching in Massage Therapy, it is recommended that the slacks/pants be comfortable and constructed of a stretchy fabric.

### **General**

Tattoos, jewelry and/or fashion accessories must be of a non-controversial design and may not attract undue attention or cause offense or negative response from the public we serve.

### **Personal Hygiene**

Due to the close personal contact students have with the public, daily showers or baths are required. Additionally, the use of deodorant, antiperspirant, cologne and breath mints and breath fresheners are essential. Gum chewing is prohibited. Foods that affect breath negatively should be avoided when serving the public. Special care must be observed by students who smoke (breath mints, hand washing, and neutralizing body and clothing sprays should be used).

### **Smoking / Inhalant Policies**

The State of Iowa prohibits smoking in buildings and outside within 100 feet of an entrance. Capri has an outside designated smoking area that falls within these guidelines. For purposes of clarity and monitoring, smoking rules are applied to all forms of inhalants, including smokeless cigarettes, imitation nicotine or other inhalant products. These products and devices are to be kept out sight, in as much as any tobacco product.

## VIII. GENERAL POLICIES

### **Assigned Sanitations & Dispensary Duties**

Students are required to complete a daily sanitation procedure. These small assignments and tasks satisfy a portion of the State Board of Health requirements referencing sanitation. Students are also assigned laundry detail for towels or sheets and dispensary duty to sanitize instruments and equipment and to dispense products. These responsibilities are included in the sanitation and disinfection sections of the curriculum. This requirement does not include employee provided janitorial activities.

### **Reception Desk**

The reception desk is the hub of activity at Capri College. To maintain order, accuracy and efficiency at the desk, the following guidelines have been established:

- \*Students must have permission from the receptionist to be at the reception desk
- \*Students may not alter clinic appointments without instructor permission
- \*Students may not loiter at or near the reception desk.

### **Telephone Usage / Messages**

Due to the large number of incoming calls on the main business lines, students may not use the business telephone (land line) for either out-going or incoming calls. Only emergency phone calls from parents, spouses or children may be received through the business line. Capri College requests that students ask their family and friends to refrain from calling the school and/or personal cell phones unless it is extremely urgent or an emergency.

### **Mobile (Cellular) Phones**

Mobile phones are a disruption to class and clinic environment. Students will not be allowed to have cell phone activity during either class and/or clinic....**includes texting and reading text messages and cell phone internet communication. Phones must be turned OFF, silenced or stored when engaged in clinic or classroom activities.** Further, each school has a designated area for breaks and cell phone usage. Mobile phone activity, including, but not limited to: conversations, photographing, text messaging or retrieving voice mail messages must be confined to only those areas. Disregard of this policy will result in: 1st offense will result in a warning; 2nd and subsequent offenses will result in confiscation of the cell phone for the duration of the day. Continued disregard of this policy will result in the student being dismissed from class, suspension and possible termination from school.

### **Photography or Electronic Photo Imaging Communications**

Video and still photography, without permission of the participant or permission from Capri College, may be subject to disciplinary action. This is to protect Capri College, its students and employees from libel or bullying charges. Photos used for portfolio, client before and after shots, etc. must have the permission of the person in the photo. Pictures posted on social webpages must be removed immediately if requested by the subject or the school.

### **Social Network Sites:**

Social Network Sites (i.e. Facebook, Twitter, Instagram, etc.) are effective ways of communicating with fellow students, potential clients and employers. While Capri College encourages communication on these sites, it is advisable to remember that your comments, language and opinions should maintain a respectful and mature level that would represent a professional and refined image. Comments posted that could be considered slanderous, harassing, or demeaning or projects a distorted image of Capri College, students, staff or clients will not be tolerated. Comments that disrespect or show negative disregard for school image, as well as, disparaging, ill-mannered or hostile comments about the college, another student, instructors, staff or client will NOT be tolerated and will be mandated to be removed. Additionally, private or public apologies may be required, and the student posting the inappropriate comment will face disciplinary action, including suspension or termination from school. Legal action may also ensue as a result of slanderous comments.

**Classroom Policies** (This list is for guidance only and not limited to the following):

Our goal is to provide a classroom with a learning environment for all students. Classroom activities and lessons are designed to help the student prepare their career through skill development and successful passing of the state licensing exam. - No chewing gum, eating, smoking or drinking (except water) in the classroom. Any container other than a clear water bottle is prohibited.

Our goal is to provide a work environment that closely simulates a salon/clinic situation. The objective is to help the students perfect their technical skills, client communication, and to develop good working habits. Some procedures for clinic operation are governed by federal and state agencies. To remain in compliance, the following policies are to be adhered to:

- Students are responsible for cleaning and sanitizing work area, linens and tools.
- Chewing gum, eating, smoking or drinking on the clinic floor is prohibited.

- Refusal to participate or provide scheduled clinical services or appointments will result in students clocking out and being sent home. (unexcused absence)
- For safety reasons, cosmetology students and clients are not allowed to bring in personal hair care products for use during school. Only professional products provided by the school are used with the exception of a physician's prescription.
- Students may receive clinic services at a reduced rate, and in some instances free, on designated days and times based on the respective school policy.

## **Policy Waiver, Deferment or Appeal Process**

Under extenuating circumstances, where policy compliance is deemed impossible, a policy waiver, deferment, or appeal process will be considered by the school director or staff.

Policy waiver, deferments or appeals are considered when a student requests special consideration in reference to a specific policy violation. The waiver, deferment or appeal is based on the situation and continued performance of the student. To insure fairness in all situations concerning policy compliance the following criteria have been established:

- \*the waiver, deferment or appeal must be put in writing by the student
- \*the waiver, deferment or appeal decision is determined by the school director/staff

**Terms of Dismissal:**

A student may be dismissed for:

- Violating the Student Code of Conduct;
- Disregard of the established policies outlined in this catalog, including infractions of the attendance policies;
- Failing to maintain Satisfactory Progress

**Student Complaint and Grievance Procedure**

To insure that the student is given consideration to channel grievances or concerns, Capri has developed the following methods of intervention: advisory programs; problem solving forms; written (documented) advising forms; periodic interviews with school officials; and student council/leadership. These methods give the students an opportunity to work with the administration and staff to develop a healthy, creative atmosphere for both personal and professional growth. If a student has a complaint or concern that cannot be resolved by above mentioned methods, the student should contact the School Director. A formal documentation of the complaint/grievance will be made and signed by both the student and the School Director with the plan of action or the outcome. This will be placed in the student's file. If all above attempts fail to reach resolution, the student may contact the Capri College corporate office in Dubuque, Iowa. The name and address to which the complaint/concern should be directed is

Matt Fiegen  
395 Main Street, P.O. Box 873,  
Dubuque, IA 52004-0873  
[mfiegen@capricollege.com](mailto:mfiegen@capricollege.com).

All concerns brought forth to this level should contain written documentation and all prior contacts and actions taken to resolve the problem.

If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant (s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting the School Director or on-line. Please direct all inquiries to:

Institutional eligibility to participate in the Direct Loan program requires schools not force students to submit to an internal dispute process prior to pursuing complaints with accrediting or government agencies regarding borrower defense claims. The school may not enter into or rely upon pre-dispute arbitration agreements to arbitrate a borrower defense claim. Students have a right to file or participate in class action suits concerning school acts or omissions regarding the making of the Direct Loan or the provision of educational services for which the Direct Loan was obtained.

## IX. MINIMUM CANCELLATION AND SETTLEMENT POLICY

The minimum cancellation and settlement policy is to assure that each applicant/student is provided a fair and equitable refund when eligible.

**Rejection:** If the candidate's application for enrollment (prior to start date) is rejected by the college the applicant is entitled to a full refund of all monies paid.

**Enrollment Period:** Enrollment Periods are equal time segments based on the specific clock hours for that program. The following chart defines each enrollment period/term according to program length:

<u>Program Name:</u>	<u>Program Length</u>	<u>Program Enrollment Period</u>
Cosmetology	2100 Clock Hours	1) 0—1050 Hours      2) 1051—2100 Hours
Massage Therapy	720 Clock Hours	0—720 Hours
Esthetics	720 Clock Hours	0—720 Hours
Nail Technology	360 Clock Hours	0—360 Hours
Instructor of CA&S	1000 Clock Hours;	0—1000 Hours

**Cancellation Procedures:** Capri College requires the student (or parent or guardian of a minor student) to give written notice of cancellation or withdrawal to the school director.

Cancellation computation is determined by the number of scheduled hours between the start dates of the Enrollment Period to the date of official notice of withdrawal from the student. The postmark on written notification; or the date on received/confirmed email; or the date said information is delivered in writing to the school administrator in person will determine the official withdrawal date. If a student does not notify the school of extended absences or notify the school in writing of withdrawal, after the 14th day of absence, the school will expel the student from school using the last recorded day of attendance for refund computation purposes.

**Termination:** Termination may result if a student violates the student code of conduct, policies of Capri College, or if he/she does not maintain satisfactory academic or attendance progress as outlined in the student handbook/catalog.

**Withdrawal Date:** The withdrawal date for refund computation purposes is the date the student officially notifies the school of withdrawal. When the college enacts termination, the last physical day of attendance will be used for refund calculations.

### CAPRI COLLEGE TUITION REFUND POLICY:

- ♦ **Cancellation Within Three Business Days:** An applicant who has not visited the school prior to enrollment will have the opportunity to withdraw without penalty before midnight of the third business day following either the scheduled orientation or a tour of the school facility and inspection of equipment. Any student who withdraws by mailing or delivering a written notice of cancellation to Capri College before midnight of the third business day after signing the enrollment agreement will be entitled to a full refund of all money paid. Refunds will follow the published refund procedures.
- ♦ **Withdrawal or Dismissal within the First Two Weeks of Classes:** Upon the completion of the trial period a personal interview will be held between the student and a member of the College staff to evaluate the student's progress, grades, attendance, and the student's commitment to continue training. If the college determines the student is not suited to the program (failing grades or attendance), or the student decides to discontinue, the student's training shall be terminated and the student shall be entitled to a refund of all monies paid minus a \$100 registration fee and \$50 enrollment application fee, which shall be retained by the school. In either circumstance, the student must return all textbooks, handouts, and equipment issued during the first two weeks, in good condition, or will be charged published cost.

- ♦ ***Withdrawal Or Dismissal After the Trial Period (Two Weeks), But Prior To 60% Of The Scheduled Enrollment Period:*** A student who withdraws or is dismissed from Capri College after the Trial Period (first two weeks of training), but prior to 60% of the scheduled enrollment period, will be charged any fees, equipment, textbook, and uniform costs associated with the enrollment period. Additionally, students will be charged 10% of tuition assessed during enrollment period, as well as the ratio of scheduled hours (up to the date of official withdrawal), divided by 60% of the scheduled hours in the enrollment period, multiplied by 90% of the published tuition for the enrollment period (Iowa code 714.23 (a) below, if applicable, supersede this section in regards to tuition refunds to Iowa resident students).
  - ◇ *If, at any time, an Iowa resident student terminates a postsecondary educational program due to the student's physical incapacity or, for a program that requires classroom instruction, due to the transfer of the student's spouse's employment to another city (student must request either in writing and provide professional, verifiable documentation), the terminating student shall receive a refund of tuition charges in an amount that equals the amount of tuition charged to the student multiplied by the ratio of remaining scheduled hours in the enrollment period to the total number of scheduled hours in the enrollment period.*
- ♦ ***Withdrawal or Dismissal After 60% Of Scheduled Enrollment Period:*** A student who withdraws or is dismissed from Capri College after 60% of the scheduled enrollment period is not eligible for any refund (except in specific cases addressed in Iowa Code 714.23 (b), summarized below).
  - ◇ *For each Capri College location specifically: If the cohort default rate for students under the Stafford Loan Program as reported by the United States Department of Education for the most recent federal fiscal year is more than one hundred ten percent of the national average cohort default rate of all schools for the same federal fiscal year or six percent, whichever is higher, Iowa resident students who terminate will receive a refund of tuition charges in an amount that is not less than ninety percent of the amount of tuition charged to the student multiplied by the ratio of the remaining number of scheduled hours in the enrollment period to the total number of scheduled hours in the enrollment period.*

**Program Changes:** College reserves the right to change or modify the program content, equipment, materials or staff as deemed necessary.

**Military Deployment:** Iowa Administrative Code 261.9(1)g provides military students the following: If a student who is a member of the military or the spouse of a member of the military (if the member has a dependent child) is deployed (ordered to state military service or federal service or duty) and must discontinue enrollment, the student will be entitled to either a full refund of the current term or may arrange to complete the current term and/or return following deployment to complete the course. The student must submit deployment papers to the college to enact this refund.

**V.A. Program:** The refund procedure outlined by the V.A. Policies applies to all students enrolled at Capri College under the V.A. Program and supersedes any refund policies outlined in the enrollment agreement for the students who qualify. The V.A. Policy specifically requires that a student's VA benefits may be interrupted and/or the student's enrollment may be cancelled if they are absent for more than 14 consecutive days.

**Course Cancellations:** If a course is cancelled subsequent to a student's enrollment, the school shall provide a pro rata tuition refund to the student.

**School Permanently Closing:** If the school permanently closes and no longer offers instruction after the student has enrolled, the student shall be entitled to a pro rata tuition refund.

**Refund Procedures:** Capri College will make any refund required under the above refund conditions within thirty (30) calendar days after the school dismisses the student or receives notice of withdrawal. Refund calculations are based on tuition only. Because of the pre-packaged nature of the kit of equipment and text books, refunds do not include books, equipment or uniforms. Students who withdraw from school with a tuition balance owed will not be allowed to remove textbooks/equipment kit until the balance is paid. Capri College will not be held liable or responsible for unclaimed items more than thirty (30) days after the students' enrollment ceases.

**Collection Policy:** If the student has a balance owed to Capri College at the time of withdrawal, the student must make payment in full within 30 days of withdrawal. Added costs incurred to collect a delinquent account will be added to student's balance. In the event it become necessary for Capri College to incur collection costs or institute suit to collect any amount due under this agreement, the undersigned promises to be responsible for charges incurred, to pay all additional costs, charges collection fees and expenses, including reasonable attorneys' fees and costs, if incurred for collection or otherwise and submits jurisdiction and venue either in Dubuque County, Blackhawk County, Linn County, or Scott County, Iowa. By signing the enrollment agreement, the student thus allows the school to release any data provided the school to a collection service.

**Return of Title IV Aid (R2T4):** When students withdraw from Capri College (officially or unofficially), the last day of physical attendance (LDA) is used, based on the last day a student physically clocked in. Capri College will determine the amount of financial aid earned in each enrollment period. This is determined by the amount of time the student was scheduled to be in attendance based on LDA over the scheduled hours for the enrollment period.

If a student has not reached above 60% attendance in the enrollment period, Capri College is required to return portions of unearned Title IV Funds. If the amount disbursed directly to the student is greater than the amount earned, the student is responsible for returning funds to the Title IV programs. Funds are returned in the following order: Stafford Unsubsidized Loan, Stafford Subsidized Loan, Parent PLUS Loan, Pell Grant, and Federal Supplemental Educational Opportunity Grant (FSEOG). Capri College will return the funds for which it is responsible as soon as possible but no more than 45 days after it determines or should have determined the student withdrew.

**Post Withdrawal Disbursement (PWD):** If a student receives less Title IV aid than earned, a Post withdrawal disbursement is calculated and applied to the student account, with priority to refund grant funds. Within 10 days of withdrawal, borrower is notified of eligible loan funds. In the case of loan disbursements, notice and written confirmation from student or parent borrower is required before making a post withdrawal disbursement of loan funds. Written confirmation response must be received from borrower within 14 days of mailing. Any funds earned beyond tuition and fees will be disbursed directly to student within 14 days. Post Withdrawal disbursement amount is determined by Title IV aid earned, it does not relate to incurred school charges. Minimum Cancellation and Settlement Policy.

**Third Party Funding Agencies:** I understand information regarding any applicable third party funding agency refund or return of funds policies are included with student award letter information, and may also be obtained from our Financial Aid Office, 1.800.728.7222.

◇ *In the event of additional funding through Pell Grant, Scholarships or any other such funds awarded that may not have been determined at the time of filing for student loans; the student agrees to use these funds to reduce the student loan obligation. While this recommendation may be rescinded by the student, the college encourages this practice as it will reduce the student's monthly loan payment and interest earned following graduation. The student signs the contract to this effect.*
