The institution has received these funds and is distributing them in accordance with the CRRSAA and implementing guidance.

The institution is making the below information available for transparency purposes and in compliance with the U.S. Department of Education's ("Department") Electronic Announcement of May 13, 2021. For questions or concerns regarding this Fund Report, please contact: Sara Fiegen-Hull, Controller, Capri College (sfiegenhull@capricollege.com or 563-588-2379 x309).

 - Pell/short program students who indicated need received a .25 factor (\$966.72)
 - Non-Pell/long program students who indicated need received a .25 factor (\$966.72)
 - Non-Pell/short program students who indicated need received a .15 factor (\$580.03)

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

HEERF II STUDENT LETTER & POLICY – CAPRI COLLEGE 2021

The US government has expanded the emergency funds available to students through the Coronavirus Response and Relief Supplemental Appropriations Act, 2021. These available funds are called HEERF II & HEERF III funds (Higher Education Emergency Relief Funds).

Capri College has been authorized to disburse a set amount of grant funds to students in need for any component of their cost of attendance or for costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or childcare. In addition, the funds may be used for tuition & fees with your consent.

With this round of grants, we must prioritize students with exceptional need such as students who qualify for Pell Grants.

PLEASE RESPOND BY 6/3/21 TO SHOW YOU RECEIVED THIS NOTICE.

Please put an X before statement(s) that apply:

I understand allowed uses for HEERF funds above and certify that I have pandemic related financial needs.

I authorize Capri College to apply grant funds to my tuition account and any remaining funds to me as a check.

The institution will **not** (1) condition the receipt of financial aid grants to students on continued or future enrollment in the institution, (2) use the financial aid grants to satisfy a student’s outstanding account balance, unless it has obtained the student’s written (or electronic), affirmative consent, or (3) require such consent as a condition of receipt of or eligibility for the financial aid grant.

Unlike the HEERF I from the CARES Act, 2020; students do not have to be Title IV-eligible to receive HEERF II/III.

It is the intent of Capri College to prioritize HEERF II/III funds to students who demonstrate exceptional financial need, such as students who receive Federal Pell Grants. Students who are not eligible to receive Federal Pell Grants are still eligible for reduced HEERF II/III funds.

- All eligible students (those in attendance or on approved leave as of 5/20) are receiving this communication, asking about their COVID pandemic related need. We will determine if students have exceptional need (pell grant recipient who replies indicating need), some need (non-pell recipient who replies indicating need), or no need (no need response or no response). Funds will be split between all enrolled students who respond they have a need, with more funds going to students with exceptional need. Since our students attend school for either 720 or 2100 hours, depending on program, we will allocate more funds to students in longer programs. We anticipate four possible dollar amounts that students would receive: high-need long program, high-need short program, some-need long program, some-need short program. Amounts will

depend on the number of students in each category. Total of payments will equal total allocated to Capri College.

We also hereby inform you about **professional judgment**:

During the COVID pandemic, you and your family may have struggled financially. The college wants to make you aware of a process called professional judgment. This is a request you can send to the financial aid department asking for a re-calculation of your financial aid (Pell Grant and student loan eligibility) funds based on updated information reflecting your ability to pay. As your situation is unique, the documentation the college will require will be specific to your situation. If you feel you would qualify, please send your request to finaid@capricollege.com.
